- extremely curious for anyone to be transferred from work 1
- release to one facility to another facility without any
- cause, other than to wait for bed space, I mean.
- 4 Q. So what do you think Barbara Costello should have
- 5 done?
- 6 A. I mean, if a person in a position, in her
- 7 official capacity, would have -- if she was doing her job
- 8 in her official capacity could have notified or even saw
- that there might have been a discrepancy in the sanction 9
- 10 order that was given, once sent or sent to the facility,
- 11 to notify the proper authorities. I didn't know the
- 12 counselor at the time so I couldn't name her either.
- 13 Q. Did you file a grievance about this whole issue
- 14 with the mail supplies while you were at SVOP?
- 15 A. No.
- 16 Q. Why is that?
- 17 A. I didn't have proper mailing utensils.
- 18 Q. You could have at some point gotten writing
- 19 supplies while you were there, right?
- A. With 14 days, by the time I got the proper 20
- mailing supplies, writing utensils and mailing supplies, 21
- 22 whatever I need, my 14 days would have been nearly done.
- 23 By the time I filed the grievance I would have been out
- of the facility before the process, before the

- Page 80 that I'm on a waiting list, not ever indicating where or
- 1
- how soon I should be transferred back to work release. 2
- 3 After months pass, I'm seeing there was
- 4 people leave from Central Violation of Probation Center,
- CVOP to MCI. On different days they have transfers
- leaving out to different facilities, like maybe on a 6
- Thursday or a Friday, you might have Plummer Center
- 8 leaving out, on a Tuesday or Wednesday they might have
- 9 MCI leaving out, and on maybe a Monday they may have
- 10 Georgetown leaving out.
- 11 But on certain days they tell individuals --
- 12 this is only within my pod. I'm not talking about other
- 13 pods. I was on Pod 2. The people that is housed on my
- pod who left to go to MCI, I mean MCCC, there were 14
- individuals who I was there before them who left, while I 15
- 16 still, I still stayed awaiting bed space.
 - Now, if I was to be transferred SVOP to
- 18 CVOP, we basically would have seen that the individuals
- 19 within, especially my counselor who has, who has somewhat
- 20 power over my case, would at some point during the four
- 21 or five months I stayed, that I was housed within the
- 22 Central Violation of Probation Center, would have moved
- 23 me to my proper status.
 - In failing to do so, she neglected her

Page 79

- disciplinary or grievance would have ever been heard. I
- 2 only had 14 days.
- Q. Okay. You moved back to CVOP on July 14, 2004?
- A. Mm-hmm.
- 5 Q. And you have made certain claims against Cindy
- 6 Scala. Is that how you say her name?
- 7 A. Yes, I believe so.
- Q. One of the things I just want to clarify with you 8
- is that Cindy Scala has not been served with the
- 10 complaint, so she is not actually a defendant in the case
- 11 now at this time and I'm not representing her. But
- 12 because this section of your complaint has a lot to do
- 13 with her, I'm going to ask you about what happened with
- 14 her so that I have that information.
- 15 Now, overall, what are your claims against
- her about? 16
- A. She was my counselor. 17
- 18 Q. Okay. When you got back to CVOP?
- 19 A. Mm-hmm.
- 20 Q. And what do you feel that she did improperly?
- 21 A. I made numerous complaints to Mrs. Scala about my
- 22 situation and my transfer back to work release,
- 23 concerning -- can you hear me -- concerning my sanction.
- 24 Every time I spoke with her she indicated

- Page 81 duties as well as -- because she is my counselor, in her
- 2 official capacity.
- 3 Once I brought it to her, I expressed to her
- numerous times of my dislike of the incident, how I felt
- 5 about some of the staff within this facility, not in a
- harmful way, but what I mean by that is I expressed to 6
- 7 her that I believe that most of the staff that was there
- 8 were out to send me back to CVOP from unjust reasons.
- 9 Now, I explained that to her several times
- 10 throughout, and during, during that time is when I
- 11 contracted shingles, which was a stress-related injury.
- 12 Q. Okay. Do you think you were on a waiting list?
- 13 A. I don't know. I haven't seen a waiting list.
- After five months and seeing so many people leave before
- 15 me, who I was there before, I don't believe I was.
- 16 Q. Do you know who those people were that came after
- 17 and left before?
- 18 A. I don't know offhand, no.
- 19 Q. Now, you said that you felt that there were
- officers or people at CVOP who wanted you, what are you 20
- 21 saying, they wanted you to stay there?
- 22 A. No, I believe they wanted to have me transferred
- 23 either back to DCC or back to SVOP.
 - Q. Okay. Do you know who those people were?

Page 84

Page 82

1 A. CO Ford I believe was one of them. I stated to

- 2 Miss Scala and a couple other individuals. I wouldn't
- 3 quite say, but I would say Bramble, because I had -- his
- 4 actions towards me was like, more like dislike. I don't
- 5 think he liked me too much.
- 6 There was another officer, I believe he was,
- 7 at the time he was the staff lieutenant in that facility.
- 8 Q. Do you know what his name was?
- 9 A. No, not offhand.
- 10 Q. Now, what made you think they were out to get
- 11 you, Ford and Bramble?
- 12 A. The smart comments, the bad looks, the verbal
- 13 comments that before you go, go to work release you will
- 14 go back to SVOP, comments like that.
- 15 Mike Records was one of the officers who I
- 16 even told this to in numerous sessions with him.
- 17 Q. Who?
- 18 A. Mike Records. He is also one of the defendants
- 19 listed I believe.
- 20 Q. What was his job?
- 21 A. He was I believe supervisor, director, whatever,
- 22 for the Central Violation of Probation Center, something
- 23 like that.
- Q. When you were at CVOP, what you wanted was to go

- 1 Q. Did you actually file one?
- 2 A. Yes.
- 3 Q. And what happened with that?
- 4 A. It was denied.
 - Q. What was your modification of sentence asking
- 6 for?

5

12

- 7 A. For -- I need some water. For relief.
- 8 Q. Do you want to take a break?
- 9 A. Yes.
- 10 (Recess taken.)
- 11 BY MS. KELLY:
 - Q. I might have to go back over what we were just
- 13 talking about to find my space. You said that you had
- 14 sent in a modification of sentence?
- 15 A. Yes.
- 16 Q. And what were you asking for?
- 17 A. For relief of remaining on my sentence due to the
- 18 fact that I was on Level IV from, whenever it started to
- 19 October, of the time that I filed, that it passed more
- than, I believe it was more than six months already, it
- 21 was close to eight months, it was like seven and
- 22 something.
- 23 And I think I cited a few other things like,
 - 4 you know, normally if a person that has more than half or

Page 83

- 1 to work release in Morris; is that right?
- 2 A. I wanted to go back to my assigned status, which
- $^{\scriptsize 3}$ was work release. If that wasn't happening, they could
- 4 at least violate my probation and had me go before the
- 5 judge to correct the wrongness of whatever they
- 6 sanctioned -- they committed me to.
- 7 Q. You have some claim in your complaint about
- 8 wanting, filing a modification of sentence?
- 9 A. Yes, yes.
- 10 Q. Do you remember that?
- 11 A. Yes. I believe it was in October.
- 12 Q. And --
- 13 A. 2004.
- 14 Q. Is it write that Cindy Scala gave you the
- 15 paperwork?
- 16 A. She gave me the paperwork. But she was aware
- 17 that the only time a modification can be done is due to
- 18 the facility. She said that she was not -- she could not
- 19 do a -- she made reference to something about Mike
- 20 Records, that Mike Records wouldn't approve it either.
- 21 So she says, "I can give you one. You can file it
- 22 yourself."
- 23 I lacked either the legal know-how to file a
- 24 modification regarding that situation.

- Page 85
- 90 days -- it is half or 90 days, whichever comes first,
 of the sentence that they normally flow down to the next
- 3 available level. And since the bed space at work release
- 4 is extremely long, that I would request that the court
- 5 grant me the next available level, lower level, which was
- 6 III, Level III, probation.
- 7 Q. Okay. So you were asking for Level III?
- 8 A. Right.
 - Q. I think you testified before about getting
- 10 shingles?

9

- 11 A. Yes.
- 12 Q. And you feel that was due to stress?
- 13 A. It was.
- 14 Q. And the stress was caused by what?
- A. From the extreme wait, waiting to be returned
- 16 back to work release, and dealing with the situation
- 17 within the center.
- 18 I, at first we were under the impression
- 19 that it might have been poison ivy, because a lot of
- 20 people that comes from out -- the facility is like, it is
- 21 like, it is kind of hard to explain, if you are in the
- facility, and you waiting to go to work release or other
 facilities on Level IV, you are placed within that
- 24 facility and what you do is you work towards fines,

22 (Pages 82 to 85)

- meaning you go out on bus runs where you collect trash
- along highways, things of that nature, and some of the
- individuals that do that, they come in and they might
- contract poison ivy or whatever, or ticks or whatever.
- 5 And at the time that I had broke out, I
- 6 believe the nurse thought it was poison ivy. It was
- 7 later detected, about at least three or four days later,
- 8 that it was, turned out to be shingles.
- 9 Q. So you saw the nurse at CVOP about it?
- 10 A. Mm-hmm.
- Q. And she thought it was poison ivy? 11
- A. Yes, at first. 12
- 13 Q. And then who diagnosed it as shingles?
- A. One of the other nurses. I'm not quite sure what 14
- her name is. But one of the other nurses, having using 15
- medication for about four days and nothing was going to
- 17 happen, and I requested to see the nurse again because
- the pumps started blistering up and pus, and they sent me 18
- to the nurse's station, which the nurse then diagnosed me
- 20 as shingles because she said she had it at one time and
- 21 it was exactly what she had.
- 22 She printed up on the computer what shingles
- looked like and how it was contracted, and then she,
- like, since no one else in that facility had it or was

Page 88

Page 89

- 1 if any bumps would have been popped, would have busted,
- the T shirt would have soaked up and they wouldn't have 2
- 3 went through, you know.
- 4 So the staff lieutenant was unhappy I was
- 5 just wearing a T shirt and couldn't wear a V neck over
- 6 top, so he requested for administrative move to be
- quarantined, from the infirmary over here, and to be
- 8 isolated. Since I'm on Level IV, I had to be shielded
- 9 off from anybody else, with no phone calls, nothing of
- 10 the sort, for about a week.
- 11 Q. Okay. So you came over to the infirmary here for
- 12 treatment for the shingles?
- 13 A. Yes.
- Q. After a week did the condition clear up? 14
- 15 A. The condition cleared up, but the pain remained.
- 16 It is normally after a week or two, a week or week and a
- 17 half after the blisters reside, you still go through pain
- for another week and a half. They kept me on pain 18
- 19 medication.
- 20 O. For how long?
- 21 A. For about a week and a half.
- 22 Q. What parts of your body had shingles?
- 23 My whole left side, back, and under the arm area.
- 24 Q. Once you were back at CVOP did you get shingles

Page 87

- contracted with it at that time, she determined that it 1
- had to be from stress.
- 3 Q. And you went to DCC at that point?
- A. She had called the doctor. She just requested,
- she called at DCC to a Dr. Rodgers, I believe her name
- is, and Dr. Rodgers advised her that, to give me pain 6
- 7 medication, because it is extremely painful. They
- prescribe me to I believe it was anywhere between 8- to 9 1600 milligrams of pain medication and some other pill to
- cure or to get rid of the blister and bumps that I had. 10
- 11 Q. Did you go to DCC?
- A. The shift, the staff -- the staff lieutenant, I'm 12
- not sure what his name is, he was unhappy that I couldn't 13
- wear a V neck. Over there you must wear a V neck at all 14
- 15 times unless you are going to bed. He was unhappy that I
- was ordered by the doctor and the nurse to only wear the 16
- 17 lightest garment possible, since you can't go
- 18 bare-chested, which was a T shirt or other light garment
- 19 for a top.

8

- They didn't want to pop the blisters that I 20
- broke out in and the fluids maybe contracted on the
- chair, pass it on to somebody else, because it is highly 22
- contagious. So what they wanted me to do is wear a T 23
- shirt, and that would have protected at least the fluids

- 1 at any other time?
- 2 A. Un-un.
- 3 Q. So it was just that one occurrence?
- 4 A. Yes. Once you -- I'm not quite sure how far,
- 5 what the doctor say, but she advised me once you break
- 6 out in shingles that occurrence is rare, when it returns.
- 7 Q. Do you remember when you got the shingles?
- 8 A. In August. Not precise day but in August.
 - That would have been August of 2005?
- 10 2004. A.

9

- 11 Q. Oh, no. 2004, right.
- 12 A. She did let me know that it was very rare that,
- 13 because of my age at the time, that someone that young
- 14 catches shingles. She said it is normally older, elderly
- 15 normally it.
- 16 Q. And this was the nurse?
- 17 No, doctor.
- 18 Q. The doctor said that?
- 19 A. Yes.
- 20 Q. Dr. Rodgers?
 - Rodgers. A.
- 22 Now, at any time did you talk to Cindy Scala
- 23 about wanting to get moved to DCC?
- 24 A. Yes. I asked her if -- I relayed to her if I'm

23 (Pages 86 to 89)

Page 90

1 not on a waiting list, if it is possible I be transferred

- 2 back to DCC so I can go before my judge. Numerous times,
- 3 as a matter of fact.
- Q. Now, why would you go back before the judge if
- 5 you got moved to DCC?
- 6 A. Because if the facilities, if the facility was
- 7 unwilling to grant me any type of relief from the time
- 8 period I was there, the only other way was to go back, if
- 9 you go back, then you have to go up before your judge.
- 10 I even asked her if it was possible, without
- 11 me going back, if she could just, you know, maybe violate
- $\,$ 12 $\,$ the remaining conditions of my Level IV and have me go up
- 13 before the judge. She was unwilling to have me do so. I
- 14 believe she said to me at one time that it wasn't up to
- 15 her, it was up to Mike Records.
- 16 Q. So you wanted to be violated and sent back to
- 17 Level V?
- 18 A. Well, it is not -- once you are violated, they
- 19 have to immediately bring you before the judge.
- 20 Q. The sentencing judge?
- 21 A. Sentencing judge, in order to, on a hearing on
- 22 the violation. That's the only quickest way to be
- 23 relieved from the situation I was in.
- 24 Q. And if you were before the sentencing judge you

Page 92

- bottom.
- 2 A. Mm-hmm.
- Q. And can you tell me, is this description accurate
- 4 as to what happened?
 - A. The incident is not quite exactly what happened.
- 6 Q. Why don't you tell me what happened, in your
- 7 view.

5

12

17

- 8 A. All right. At this time, incident where me and
- 9 another individual -- I don't see his name on here --
- 10 began horse playing. The officer -- I don't see his name
- on here. Is his name on here?
 - Q. Is it David Thorp?
- 13 A. Yes. All right. I see it. CO Thorp had told us
- 4 to break the incident up. After that he called for
- 15 assistance with other COs and to be escorted to a holding 16 cell.
 - While in the holding cell I explained that,
- 18 I expressed my concern of no longer wanting to be in
- 19 Central Violation of Probation Center, and he then wrote
- 20 this incident up hoping, in order -- his words were that
- 21 "I hope you get what you looking for." He says, "You
- 22 don't have to do this. You can go another way."
- 23 But the incident was resulting in horseplay.
 - But the incident of the threat, that never took place.

Page 91

- wanted to tell him about what was going on in CVOP and
- asked to be moved to Level III; is that it?
- 3 A. Either, if not Level III, another less -- even
- 4 home confinement would have been good.
- 5 Q. Did you take any action at CVOP to get yourself
- 6 back to DCC?
- 7 A. I'm not following you.
- 8 Q. Did you do anything to get yourself violated?
- 9 A. Un-un. Willingly, no. Other than make numerous
- 10 requests.
- 11 MS. KELLY: I'm going to mark this as
- 12 Exhibit 3.
- 13 (Holland Deposition Exhibit 3 was marked for
- 14 identification.)
- 15 O. I'm going to show you what has been marked as
- 16 Exhibit 3 and ask you to look it over and let me know
- 17 when you've had a chance to read it.
- 18 A. All right.
- 19 Q. Have you ever seen that document before?
- 20 A. Yes.
- 21 Q. And it is an incident report dated October 21,
- 22 2004; is that right?
- 23 A. Mm-hmm.
- Q. There is a "Facts of Incident" stated at the

- Page 93
 Q. Did you say, "I will do whatever or beat up
- 2 whoever I need to in order to get out of here"?
- A. No.
- Q. And you answered that you didn't say that?
- 5 A. No. He put that in there, this is Thorp, Thorp,
- 6 CO Thorp put that in there in order to insure -- well,
- 7 try to get me sent back, and hopefully go up before the
- 8 judge.
- 9 What happened with me and the other
- 0 individual, who I don't see his name in here, began horse
- 11 playing on the tier, and after that, he took me to a
- 12 holding cell, and he asked me, he begin to ask me why I
- 13 was horse playing. I'm like, "Oh, we were just playing
- 14 around. But I don't really want to be here anyway." I
- 15 say, "I'd rather just be sent out so I can go before the
- 16 judge."
- 17 But Thorp, he said, well, he says I don't --
- 18 he says, "You can't just horseplay not on my watch." He
- 19 says, he expressed to me, he says, "Look, I'll write this
- 20 in," he said that I, something about I would beat up
- 21 whoever, whoever, whatever. But that statement was never
- 22 made.
- 23 O. So David Thorp made that up?
- 24 A. Well, I don't know if it is in here, but at the

- 1 time that this incident took place, it was in no
- 2 altercation. He didn't mention in here that even as he
- 3 viewed it, it wasn't even a violation. It was more or
- 4 like we were just horse playing. He did state horse
- 5 playing.
- 6 Q. But did David Thorp make up that sentence at the
- 7 end?
- 8 A. Yes, yes, I believe so. Either that or the other
- 9 guy might have said that, because I didn't make the
- 10 statement.
- 11 Q. Do you know who the other inmate was?
- 12 A. No, not offhand. If I had a list of individuals
- 13 who were placed in the facility at the time I could tell
- 14 you what his name is. And it is very strange that he
- 15 didn't put that in there.
- 16 Q. Did you ever make any comment to anybody at CVOP
- 17 that you would do whatever you needed to to get out of
- 18 there?
- 19 A. I don't, I don't think so. I don't know. I
- 20 don't know. But I was willing, I was willing to violate
- 21 my probation to get out of there.
- 22 Physically harm somebody, I don't think that
- 23 would be possible.
- 24 Q. When you say physically harm somebody wasn't

1 the pod?

- 2 A. No.
- 3 Q. Do you remember having a conversation with Cindy
- 4 Scala that you asked her to do you a big favor and
- 5 violate him?

7

15

- 6 A. Violate me?
 - Q. Yes. Violate you. I'm sorry?
- 8 A. Yes, I asked her that.
- 9 Q. Did you tell her you would do whatever it took to
- 10 go back to DCC?
- 11 A. I don't know. I might have.
- 12 Q. In your complaint you are claiming that you were
- 13 unlawfully imprisoned at CVOP?
- 14 A. Mm-hmm.
 - Q. And what did you mean by that?
- 16 A. Any time during the time that I was in-housed at
- 17 CVOP, due to Miss Scala, on my records, could have and
- 18 should have sent me to correct facility in which I was
- 19 supposed to have been, meaning MCCC, and doing so, they
- 20 failed to do so. They unlawfully imprisoned me within
- 21 the facility and wasn't able or refused to, through their
- 22 positions, transfer me.
- 23 Q. Why did you sue Michael Records?
- 24 A. He is, I believe, either the director or

Page 95

- 1 possible, what do you mean?
- 2 A. That I would not do, due to the fact I'm more or
- 3 less friendly and got along with everyone, I wouldn't do
- 4 that, put somebody in harm's way just for self gain.
- 5 MS. KELLY: I'm going to mark this as
- 6 Exhibit 4.
- 7 (Holland Deposition Exhibit 4 was marked for
- 8 identification.)
- 9 O. I'm going to show you what has been marked as
- 10 Exhibit 4. It is pretty long, so take your time and look
- 11 it over. Let me know when you are done reading it.
- 12 A. All right.
- 13 O. Have you seen this before?
- 14 A. Mm-hmm.
- 15 Q. I'm interested in particular if you look at page
- 16 2, if you look at the fifth line down, it says "Offender
- 17 stated," are you there? "Offender stated that he would
- 18 break out the glass on the pod" -- do you see that?
- 19 A. Yes, I see that?
- 20 Q. -- "if he had to and that it was a misdemeanor
- 21 and they had to send him then." Do you remember anything
- 22 like that happening?
- 23 A. Un-un.
- Q. You didn't say you would break out the glass from

Page 97

- 1 supervisor which everything that had to go through him,
- 2 according to Miss Scala, everything had to go through him
- 3 to be approved.
- 4 Q. Did you ever speak with him?
- 5 A. Several times.
- 6 Q. Okay. And what kind of conversations did you
- 7 have with him?
- 8 A. It was more like him talking to me. He let me
- 9 know that it is not going to be nobody's way but his. He
- 10 says that I won't go anywhere unless he wants me to go,
- 11 things like that.
- 12 Q. So are you saying that Michael Records knew that
- 13 you were complaining about having been on the waiting
- 14 list and not being moved?
- 15 A. Yes, he knew.
- 16 Q. Did you ever write to him?
- 17 A. I don't know. I don't think so.
- 18 Q. Now, did you ever write a grievance about this
- 19 whole issue of being held at CVOP for too long?
- 20 A. Other than the incident after it occurred with
- 21 Lieutenant Bramble, that's the issue, during the time I
- was there I was under the impression that any day I could
 be transferred or any week I could be transferred to work
- 24 release. Every week went by -- every week that went by,

I was still there. 1

- Q. You have told me about experiencing stress, and
- 3 then the stress causing shingles. Did you have any other
- physical problems, before the incident with Lieutenant 4
- 5 Bramble, did you have any other physical problems that
- you felt were caused by what defendants were doing?
 - A. Other than the lack of eating, the worrisome, the
- 8 non-sleeping, anything possible, everything, even crying,
- 9 complaining, whining, everything possible.
- Q. So you feel like you weren't eating properly 10
- 11 because you were stressed; is that what you are saying?
- A. I wasn't. 12
- 13 Q. And you were having trouble sleeping?
- 14
- Q. And that you felt like that was because of your 15
- stress? 16
- 17 A. Every week -- let me try to explain it to you.
- 18 Prior to that time I done spent from '96 -- I mean from
- '99 to 2004, incarcerated. Once my time was up, I was 19
- supposed to do work release. Granted, I accumulated a
- write-up which sent me back for a period of time. 21
- 22 During the time through the holidays, which
- is more, you know, more sentimental to me, only having 23
- phone calls with my son, which were very limited because, 24

Page 100

- A. I was believed that the -- I believe it is the
- classification, is it classification or -- records
- department at the Central Violation Probation Center was 3
- 4 headed by Cline Daniels.
- 5 Q. Oh. So that was one word.
- A. Huh? 6

7

12

22

- Q. That was one name, Cline Daniels?
- 8 A. Right.
- 9 Q. That person hadn't been served either. Are you
- 10 aware of that?
- 11 A. No, I wasn't aware of that.
 - Q. So I'm not representing that person, whoever it
- 13 is. I just wanted to know who it was.
- 14 I think in your answers to interrogatories
- you mentioned that you had served a subpoena. What is 15
- 16 that about?
- 17 A. Huh?
- 18 Q. In your answer to interrogatories you mentioned
- that you had served a subpoena directed to defendants. 19
- 20 What is that about?
- 21 A. I don't have my interrogatories.
 - Q. Let me see. Let me find it. I don't have an
- extra copy of this, but I'm just going to show this to 23
- you. Look at B. First of all, just look it over. Have

Page 99

- you know, you got other people that want to get on the 1
- phone, when the holidays came up, you had Halloween, you 2
- know, Thanksgiving just around the corner, because these
- holidays are coming up, it was more and more -- and I 4
- explain to him, I've been here for so long already that 5
- 6 should have been something done, something done to help 7 me get where I was going, where I was supposed to have
- been. No one was either trying to hear my plight or 8
- understand where I was coming from.
- Every time I saw Miss Scala I said something 10 to her, either, "When are we moving, or "What else can I 11
- do," other than she replied to me that "I can't do 12
- 13 nothing for you. It ain't up to me."
- 14 I was hopeless. I was stuck in a situation
- of complete utter hopelessness, where I couldn't get home 15 16 to my family who I love.
- Q. Were you having any other physical problems that 17
- you thought were caused by stress or whatever other 18
- 19 things were going on?
- A. Other than being in that facility, the physical 20
- problems that I endured there, no other physical problems 21
- other than the stress that I endured, had to endure while 22
- 23 I was there in that facility.
- Q. You sued somebody called Daniels. Who is that? 24

Page 101

- you seen that before, the document? 1
- 2 A. I think this is the -- yes, I seen this document
- before. I had a paralegal help type this up. I think
- this might be a misprint.
- Q. Do you see B, it says, "Plaintiff has subpoenaed
- 6 all records." Have you done a subpoena?
- 7 A. Un-un.
- O. Okay. 8
- 9 I haven't done that.
- 10 Q. Do you know yet what witnesses you would bring to
- trial of this matter? 11
- A. Yes. I was calling some of the witnesses that I 12
- 13 already gave you a list at the time of the incident that
- occurred on the pod. I was in the process, before the 14
- incident where placed me back to Delaware Correction
- Center, subpoena some of the witnesses that directly
- 17 related or knew about the incident within the MCCC.
- 18 I was also going to subpoena Mr. Tessler,
- 19 which is CEO of Tessler Roofing Company located at 480 --
- 20 excuse me -- 48069 South DuPont Highway, Camden,
- Delaware, to verify the time of the write-up which was on the 29th, June 29th, 2004, I was employed with him, and
- at the times that I worked. And a few other people which
- 24 I don't have all -- my, my physician, medical physician.
